Subject: Tentative Approval of Notice of Intention to Commence Large Mining Operations, Staker Parsons Companies, Beef Hollow Facility, M/035/0042, Salt Lake County, Utah

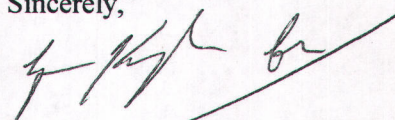

Dear Mr. Parsons:

The Division of Oil, Gas and Mining tentatively approves the Notice of Intention to Commence Large Mining Operations (Notice) for the Beef Hollow Facility Mine

The notice of tentative approval will be published in the appropriate Salt Lake County newspapers (copy attached). This will begin a 30-day public comment period. The Division will also notify the Resource Development Coordinating Committee (RDCC) and owners of surface and mineral property with the disturbed area. If no substantive comments are received during the public comment period, the Division will then issue its final approval for this project. Changes to the Notice may be needed if substantive comments are received.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 538-5257.

Sincerely,

Paul B. Baker
Minerals Program Manager
